PREFACE.

Facts about North Carolina (as of August 1st, 1919). Furnished
by The Chamber of Commerce.

Population, July 1, 1916 (U. S. Census)	25,061
Population estimated August 1, 1919	28,000
Population (including East Durham and West Durham) estimated August 1, 1919	35,000

Geographically, Durham is located in the center of the State of North Carolina, in north latitude 36 degrees, west longitude 79 degrees, and is 406 feet above sea level. The city is situated on the back of a ridge in the Piedmont section of the State. It enjoys a delightful climate with 62 per cent. sunshine days. Its naturally healthful environment has been augmented by the establishment of a well organized and splendidly equipped health department.

Durham, with a population of 6,649 in 1900, had 18,241 in 1910.

Durham has an area of 3.87 square miles.

Durham is on the Southern, Seaboard Air Line, Norfolk & Western, Durham & Southern and Durham & South Carolina Railroads.

Durham is on the Quebec-Miami, Capital-to-Capital, Central, Southern National, Bankhead National and All-Southern Transcontinental automobile highways.

Durham is now engaged in building \$2,000,000 worth of asphalt streets.

Durham county is building hard surface roads from Durham to the county lines in all directions, and is treating old macadam roads with an asphaltic top.

Durham has a street railway reaching all parts of the city and suburbs.

Durham's assessed value of real and personal property is \$27,500,000.

Durham has excellent hotel accommodations; 46 churches, practically every denomination being represented; the only absolutely free public library in the State; a well equipped Y. M. C. A., and a splendid Academy of Music, which is owned by the city.

Durham has nine banks (including the Morris Plan Bank and one colored bank).

Durham is the home of the largest negro life insurance company in the world—The North Carolina Mutual Life Insurance Co.

Durham owes its water plant, which was constructed at a cost of \$900,000. The State Board of Health has certified that Durham has the purest water in the State.

INDUSTRIAL.

Durham has a healthy industrial atmosphere, as indicated by its many prospering industries, which are constantly adding to their capacity. Industries seeking a location will find here admirable transportation facilities, an abundance of electrical power, furnished by the Southern Power Company and the Durham Traction Company, and excellent labor conditions.

Tobacco—Durham is in the heart of the famous Piedmont section, and has long been known as the center of the tobacco manufacturing industry. There are four warehouses for the sale of tobacco grown in this vicinity. Durham is widely known as a tobacco manufacturing center, being the home of "Bull Durham" granulated smoking tobacco, made by the American Tobacco Company; "Duke's Mixture," made by Liggett & Myers Tobacco Company, as well as Sovereign, Piedmont, Chesterfield, Fatima and many other well known brands of cigarettes. The exporters re-dry and ship abroad several million pounds of leaf tobacco annually. The Imperial Tobacco Company has here one of the handsomest factory buildings in the South, the largest and most up-to-date plant in the world used exclusively for re-drying tobacco, having a capacity of 20,000,000 pounds a season, and storage for 5,000 hogsheads.

Cotton—Durham has two large mills and bleacheries of the Erwin Cotton Mills, making wide sheetings, pillow cases and linens. There are also three cotton mills making large quantities of gingham, sheetings and hosiery yarns. Durham also has the largest cotton bag mill in the world—The Golden Belt Manufacturing Company.

Hosiery—Durham is the home of the Durham Hosiery Mills, the largest manufacturers of seamless hosiery in the world. Its brand, "Durable Durham," is known in all parts of the United States. It

is capitalized at \$9,600,000, and will erect in the near future a large mill for the manufacture of silk hosiery.

Other Industries—Durham has one of the largest and most completely equipped fertilizer plants in North Carolina, that of the Virginia-Carolina Chemical Company. Here also is the large flour milling plant of the Austin-Heaton Company, with a capacity of 800 barrels a day. There are several large lumber plants, supplying any quantities of all grades of building material. Other products: Blank books, castings and iron products, cigars, harness, ice, mattresses, overalls and wagons.

A FEW INCREASES IN DURHAM, AS SHOWN BY THE
LATEST UNITED STATES CENSUS REPORT.

	Census—		Per cent. of increase
	1914.	1909.	1909-1914.
Persons engaged in manu- factures	5,453	4,006	36.1
Primary horsepower	8,465	5,217	62.3
Capital	\$17,752,000	\$14,956,000	18.7
Services	2,366,000	1,375,000	72.1
Materials	12,503,000	9,654,000	29.5
Value of products	27,597,000	23,027,000	19.8

EDUCATIONAL.

Public Schools—Durham has educational facilities superior to those of most cities of its size. The public school system ranks with the best in the South. There are six schools for white children, and three for colored pupils.

Trinity College—Durham is the home of Trinity College (co-educational), one of the leading institutions of learning, and the most liberally endowed, in the South (with one exception). Trinity has a very attractive campus of 102 acres, and holdings valued at about \$3,000,000, including 24 buildings. The endowment is \$1,641,003.79.

There are seven other colleges within fifty miles, including the University of North Carolina at Chapel Hill, twelve miles distant.

Other Institutions—Durham is the home of the Southern Conservatory of Music, affording vocal and instrumental instruction to young men and women, who come from many States. The Durham Business School affords instruction in day and night sessions, in bookkeeping, stenography, typewriting and salesmanship.

DURHAM COUNTY.

Durham County, of which Durham is the county seat, has a great variety of soils adapted to the growing of tobacco, cotton, grasses, produce and fruits. The farmers' products find a ready market in Durham. The farm lands respond readily to intelligent treatment, land being worth from \$15 to \$100 per acre, depending upon the distance from Durham. The county has a free school system, with eight months term. There are two Farm Life Schools, and the county employs agricultural and home demonstration agents.

For further information, address Chamber of Commerce, Durham,

Working for a Million Car Owners

Are you letting Willard sell for you?

Car owners are always looking for help in making the most economical trip. Willard Storage Batteries are the most economical car owners can buy. They are made of the best materials and are perfectly built for service. It is factory-trained experts who install them. Keep your batteries on the job.

When you buy a Willard Storage Battery, you know Willard works for you. You know your battery will give you long life, and that it will start your car in the coldest weather, as well as in the hottest.

Willard Storage Batteries are made in America. We have the equipment to give you the best. We have the service to give you the Willard Original story.

Willard Storage Batteries are available from many dealers.

"Every bag of V-C Fertilizer made 100 pounds of pork!"

"**Y**OU remember in the spring, Bill, I applied V-C Fertilizer to that corn land. You were a "Doubting Thomas." You didn't think 'twould pay. Where no fertilizer was used, my yield was about the same as yours, but where the crop was fertilized, the yield per acre was 13 bushels more. It cost me about \$3 to get those extra 13 bushels.

"Now I've turned in my pigs. Those 13 bushels of corn will make about 100 pounds of hog meat. It's a good business sense to convert \$3 worth of fertilizer into \$20 worth of pork. 50 acres of my corn land will make \$100 more profit a day than was possible without V-C.

There are lots of good V-C's whose formulas are under patent, because they don't replace the phosphoric acid crop gets.

Other: The Mr. McVoy Williamson of S. M. Co. has a corn in 1400 to 2000 pounds in the corn land he fertilized with V-C. It's a good fertilizer for crop and soil, and extra good as

well. They've got chemical formulas for each V-C Fertilizer, and you can get them if you need to make both V-C and other.

Important to Order Early.

Freight cars are scarce. Give the dealer your order first. If you can have cars loaded to maximum capacity.

V-C Fertilizers

Fertilizers

Feed the Fields that Feed the World!

THE world is asking for bread and meat. Bigger crops cannot be raised by increasing your acreage, the shortage of labor makes that impossible. To meet the demand for bread more grain must be raised on the acres you now cultivate.

You must fertilize. You cannot ship away more fertility in the form of bigger crops unless you bring more fertility in.

To raise more livestock, we must have more feed. The only way to grow more feed, is to add to your soils supplies of plant food. Upon the use of fertilizers depends both bread and meat.

In the vast trehouses in the earth, Nature provided food for the soil, Nitrates and Phosphates, just as she provided food for man and beast. These plant foods we gather from the four corners of the globe, and make into V-C Fertilizers—that are balanced crop rations—that benefit the crop immediately—nourish it from seed time until harvest. The crop is not overfed on one element and starved for the lack of another.

**Freight is Congested—
Order Early!**

We have more than 50 factories in the North, South, East and Middle West. We are able to get fertilizers to you with a minimum amount of hauling, but the car shortage is serious. Fertilizers should be ordered early, so that the dealer can assemble his orders and have every car loaded to maximum capacity. If you do not order **now** you may have to do without them!

When the fertilizers arrive, haul them home and store in your barn until you are ready to use them.

Write us for name of dealers near you who sell V-C Fertilizer.

Pianos and Inner-Players Worthy of Your Confidence

You can place absolute confidence in any Piano or Inner-Player you select here.

The immense Cable factories—the world's greatest—take pride in making instruments so good that there isn't the slightest chance of your being dissatisfied.

A broad and liberal guarantee—the guarantee of the makers, remember—is an additional reason why you should make your selection here.

*Call or write for catalogs of
Cable-made Pianos or Inner-Players*

A Few Things You Can Find in the

City Directory

CLASSIFIED ADVERTISING DEPARTMENT with the advertisements of progressive firms doing a leading business.

NAMES OF MALE RESIDENTS of the city over 17 years of age with their occupation.

WOMEN carrying on business.

CLASSIFIED BUSINESS DIRECTORY of all persons or firms doing business under their proper headings.

LIST OF CITY OFFICERS.

Churches	Physicians
Clubs	Police Department
County Officers	Post Office Department
Fire Department	Public Buildings, Halls, etc.
Fraternal Organizations	Schools
Hospitals	State Government
Householders' Directory	Street Directory
Libraries	United States Government
Notaries Public	

There is little that is confined within the limits of your city, that has a name and location, that cannot be found in your directory.

It is the contents of your city between the covers of a book.

Can you intelligently be without it?

Consult the contents page—It's a revelation.

HILL DIRECTORY CO., Inc.

Home Office: 823 Mutual Building, Richmond, Va.
